13 RISK STATEMENT

RRS 4 states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone," Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. The event is physically demanding and crews should be prepared for this, skippers are reminded of the need to brief their crews appropriately. By taking part in this series, each competitor agrees and acknowledges that:

1. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the series;
2. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
3. They accept responsibility for any injury, damage or loss, to the extent caused by their own actions or omissions;
4. Their boat is in good order, equipped to sail in the series and they are fit to participate;

5. The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own (the competitors') responsibilities;
6. The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
7.
 - a) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event and
 - b) Their boat is adequately insured (the Fairview yacht charter fee includes third party insurance up to a limit of £3,000,000 sterling).

Nothing done by the organisers will reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the regatta including The Island Sailing Club, Civil Service Sailing Association (CSSA), IDOR Committee and Fairview Sailing Ltd and its representatives.

Each boat, and therefore the skipper, is solely responsible for the payment to Fairview Sailing Ltd of up to £3000, being the **maximum** Security Deposit / Excess, **for each incident** that may occur.

The skippers of participating yachts must ensure that their crew are made aware of the above clauses.
